

The Island Games Association Of Jersey (IGAJ)

Are pleased to invite you, your friends and colleagues to our
"Big Breakfast Event"

The Pomme d'Or is generously discounting their extensive
breakfast to support the Island Games
The Harbour Room Restaurant at the Pomme d'Or is renowned
for excellent service and value for money, so take the
opportunity to enjoy the food, have a great breakfast and the
fantastic company.

How it works

For every £10.00 Big Breakfast booked the association
receives £5.00. This £5.00 can then be assigned to a sport if
you so require, all you need to do is book your breakfast by
telephoning the Pomme d'Or on 880110 asking for an "Island
Games Breakfast" (served 7 days a week from 7am until 10am),
then when you are paying for your breakfast, ask them to add
it to the appropriate sport.

This will run from February 16th 2007 until FRIDAY 27TH April
2007. If you could take at least one table between now and
then, it will make a huge difference to our fund raising.

Please take this opportunity to support Jersey. The Island
Games Association of Jersey will be sending 250 competitors
to Rhodes in July 2007, and we will need all the support we can
muster to help our team get there and compete.

Enjoy your breakfast!
